## Joint Land Use Regulations

The following represents the Joint Land Use regulations established by Afognak Native Corporation (ANC), Natives of Kodiak (NOK) and Ouzinkie Native Corporation (ONC) for the Afognak Island, Kodiak Island, Raspberry Island, Spruce Island and Whale Island lands depicted in the map inside.

Any member of the general public accessing these lands for hunting, fishing, recreation or other purposes is required to have a Land Use Permit. If you plan to hunt Elk or Bear, an additional endorsement is required. Shareholders of ANC, NOK, ONC, or Koniag, are required to have a shareholder identification card or Land Use Permit. All potential users of ANC, NOK, or ONC lands are encouraged to apply for a Land Use Permit as early as possible to ensure permit receipt well in advance of land use.

## Permit Requirements

If you plan to access the lands depicted on the inside map for any reason, you must obtain a Land Use Permit. Hunting, even if for only one day, requires purchase of an Annual Land Use Permit. Three and Seven Day Land Use Permits do not allow camping or hunting of any kind. If you are planning to camp or hunt, you must purchase an Annual Land Use Permit. Deer hunting is the only hunting activity allowed under the Annual Land Use permit without an additional Endorsement. Additional Endorsements are required if hunting Elk and/or Bear. Endorsement fees are in addition to Land Use Permit fee.

Minors, children under 16 years of age, are not required to purchase a Land Use Permit unless they are hunting elk or bear. If a minor is hunting an elk and/or bear, an Endorsement and Annual Land Use Permit are required. An adult possessing a current Land Use Permit must accompany minors at all times.

Permit areas may change from time to time, so applicants must be sure to obtain the most current map and use restrictions in effect at the time of each land use permit issuance.

Elk and bear hunt Endorsement holders may take others on their hunt who do not possess an elk or

bear hunt Endorsement to help with the care and salvage of meat and hides. However, all land users, including those accompanying a hunt, are required to be in possession of a current Land Use Permit.

Land Use Permits are not hunting or fishing licenses. All land users must obtain the appropriate State hunting and/or fishing licenses from the Alaska Department of Fish and Game in addition to the appropriate ANC/NOK/ONC Land Use Permits.

Violations of the Land Use Permit Rules and Regulations may result in the issuance of a citation, which may include the immediate loss of the Land Use Permit. Depending on the severity of the violation, violators may also be required to leave Corporate property immediately.

Violators agree to pay for all attorney fees and/or costs incurred by the landowner to enforce Land Use Regulations, whether such fees are in civil proceedings or in assisting law enforcement agencies.

Spruce Island is off limits for all activities, except visiting Monks Lagoon for religious purposes. Please notify Ouzinkie Native Corporation 24 hours in advance of visiting Monks Lagoon.
