

*Download the gFlash App to your smart phone or iPad and begin learning the Alutiiq language.*

### **iPhone, iPad & iPod touch Apps**

Visit the App store icon on your screen, search for gFlashPro (\$4.99), download gFlashPro, within the gWhiz catalog select "Search" type in "Alutiiq" to access available card sets, or visit iTunes:

<http://ax.itunes.apple.com/us/app/gflashpro-flashcards-tests/id297332787?mt=8#ls=1>

### **BlackBerry Apps**

Visit Blackberry App World, search for gFlash Pro (\$4.99)

Download gFlashPro, select "Search" type in "Alutiiq" to access available card sets, or visit

Blackberry App World:  
<http://appworld.blackberry.com/webstore/content/134>

**More sets are being developed. If you would like to be notified when new sets are available, please email [Kari@afognak.org](mailto:Kari@afognak.org) to be added to an email list for notification.**

NVA is pleased to announce the launch of the Ag'waneq (Afognak) Language Program in partnership with Native Village of Port Lions, with support from Afognak Native Corporation, and in collaboration with the Alutiiq Museum. If you are interested in becoming a learner contact the Ag'waneq Language Program Manager, Kari Sherod at 486-6357 or Dorinda Kewan at Native Village of Port Lions at 454-2234.

Please fill out our Language interest survey, by clicking this link below.
