Joint Land Use Regulations

The following represents the Joint Land Use regulations established by Afognak Native Corporation (ANC), Natives of Kodiak (NOK) and Ouzinkie Native Corporation (ONC) for the Afognak Island, Kodiak Island, Raspberry Island, Spruce Island and Whale Island lands depicted in the map inside.

Natives of Kodiak

Any member of the general public accessing land depicted on the inside map is required to purchase an appropriate Permit. If you plan to hunt elk or bear, an additional Elk or Bear Endorsement is required. Elk hunting is strictly limited to ANC/NOK/ONC Shareholders, their spouses and descendants, except for State of Alaska awarded elk drawing hunts. All potential users of ANC/NOK or ONC lands are encouraged to apply for a Land Use Permit as early as possible to ensure permit receipt well in advance of land use.

Permit Requirements

Hunting, even if for only one day, requires purchase of an Annual Land Use Permit. Three and Seven Day Land Use Permits do not allow camping or hunting of any kind. If you are planning to camp or hunt, you must purchase an Annual Land Use Permit. Deer hunting is the only hunting activity allowed under the Annual Land Use permit without an additional Endorsement. An additional Endorsement is required if hunting elk and/or bear. Endorsement fees are in addition to Land Use Permit fee.

Minors, children under 16 years of age, are not required to purchase a Land Use Permit unless they are hunting elk or bear. If a minor is hunting an elk and/or bear, an Endorsement and Annual Land Use Permit are required. An adult possessing a current Land Use Permit must accompany minors at all times.

Permit areas may change from time to time, so applicants must be sure to obtain the most current map and use restrictions in effect when each Land Use Permit is issued.

Elk and Bear Hunt Endorsement holders may take others on their hunt who do not possess an Elk or Bear Hunt Endorsement to help with care and salvage of meat and hides.

However, all land users, including those accompanying a hunt, are required to be in possession of a current Annual Land Use Permit. Land Use Permits are not hunting or fishing licenses. All land users must obtain the appropriate State hunting and/or fishing licenses from the Alaska Department of Fish and Game in addition to the appropriate ANC/ NOK/ONC Land Use Permits.

Violations of the Land Use Permit Rules and Regulations may result in the issuance of a citation, which may include the immediate loss of the Land Use Permit. Depending on the severity of the violation, violators may also be required to leave Corporate property immediately.

Violators agree to pay for all attorney fees and/or costs incurred by the landowner to enforce Land Use Regulations, whether such fees are in civil proceedings or in assisting law enforcement agencies.

Spruce Island is off limits for all activities, except visiting Monks Lagoon for religious purposes. Please notify Ouzinkie Native Corporation 24 hours in advance of visiting Monks Lagoon.

Joint Land Use Policy Map

Land Use Rules

- Private property must be respected – Land use is a privilege.
- Permits only authorize land entry and use for the ANC/NOK/ONC lands depicted on the map on the following page. Uses and activities in the permit areas are restricted and vary somewhat from area to area.
- Permit holders are responsible for familiarizing themselves with the specific area and restrictions for each zone. UAV camera surveillance, photographs and/or video may be used during enforcement.
- Applicant shall avoid trespass onto other private properties adjacent to the permit areas and treat their owners and properties with respect.
- Permits and photo identification must be carried by the land user at all times while on designated ANC, NOK, or ONC lands and must be presented upon request.
- Permit holders assume the responsibility and risks for his/her own safety and for that of any minors or others in his/her party attendants to the remote wilderness environment.
- No hunting or shooting within one (1) mile of any known camp, cabin or active logging area.
- Use of private motorized vehicles is strictly prohibited on ANC, NOK or ONC lands.
- Permit holders must obtain all proper licenses, permits and tags.
- Land users must obey all Alaska Department of Fish and Game laws.
- All trash must be packed out and a “no indication” campsite left.
- Open fires are not permitted on ANC, NOK or ONC lands.
- No wild animals shall be fed and all game must be cleaned in the field and stored in a manner that minimize bear problems.
- All minors, persons under the age of 16, must carry a land use permit and be accompanied by an adult with a valid land use permit.
- Permission to enter and use permit are lands is conditional upon compliance with Land Use Rules and Regulations and State and Federal laws and may be revoked at any time for failure to comply. Violations of permit rules may result in denial of future permit applications.
- No permits are available for commercial trapping.

ANC, NOK and ONC appreciate your cooperation and respect for our lands. Successful and efficient implementation of our Land Use Permit System and compliance with our Land Use Rules will facilitate the continued use and enjoyment of these private lands, now and into the future.
